**ABB BUSCH-DIMMER 6523U**

Install in accordance with national and local electrical codes.  
All installation works must be performed with specialized personnel.

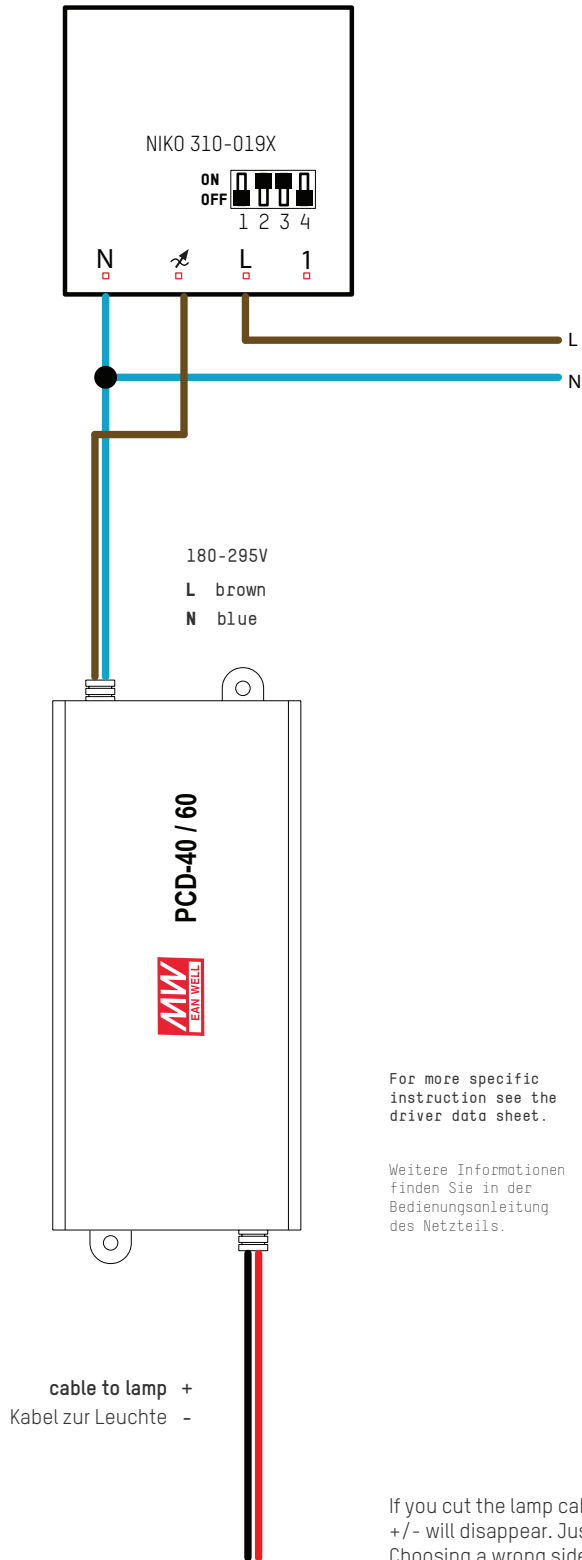

**SCHNEIDER SBD 315RC**

If you cut the lamp cable, the marking for +/- will disappear. Just try which side works. Choosing a wrong side does not harm the light.

Install in accordance with national and local electrical codes.  
All installation works must be performed with specialized personnel.

**NIKO DIMMER 310-019X**

For more specific instruction see the driver data sheet.

Weitere Informationen finden Sie in der Bedienungsanleitung des Netzteils.

If you cut the lamp cable, the marking for +/- will disappear. Just try wich side works. Choosing a wrong side does not harm the light.
